### **PUBLIC NOTICE**

In response to the concerns raised, the Republic is voluntarily extending the deadlines under this Request for Proposals (RFP) for services **“To Serve as the Ship Administrator for the Republic of Palau’s Open Ship Registry.”** Although the original schedule complied with the applicable procurement requirements, this extension is being made in good faith to provide additional time for interested offerors to prepare and submit their proposals and to encourage broader participation in the procurement process.

The public is hereby informed that the Bureau of Human Resources (BHR) of the Government of the Republic of Palau is soliciting and accepting proposals from qualified offerors **to serve as the Ship Administrator for the Republic of Palau’s Open Ship Registry.**

The services requested will be fully funded by **local government funds** and will be awarded through a competitive negotiated contract. The specifications along with the evaluation criteria and all other requirements are now available on the Government of the Republic of Palau’s website <https://www.palaugov.pw/rfp-bids/>.
